Health assistance

All incoming European students should have the **European Health Insurance Card (EHIC)**, which entitles the holder to get necessary treatments at the same cost as an insured person living in the country you are visiting. The card is valid only for state-provided services, as private health is not covered.

When accidents occur during the didactic activities in the school locations, students in international mobility are covered by **injury** and **civil liability insurance**.

We strongly recommend that students ensure they have medical insurance before their arrival and we also highly recommend to provide a liability insurance to cover any accidental damage caused to other people or properties.

The codice fiscale is a code issued free of charge by the Agenzia delle Entrate (Revenue Agency), to identify Italian and foreign residents

You need to have your own codice fiscale to:
