Dear student,

### Welcome to Milano!

As you probably know, Milano is a business-oriented city, home to the best Italy has to offer in industry, finance, fashion, sport and design, with a long-lasting tradition of inclusiveness and multiculturalism. By moving to Milano and officially becoming a *Milanese*, you are already contributing to the diversity and culture of our community.

Milano is a city built on equal opportunities and equal growth for young, motivated people committed to bringing innovation to the world and contributing to their community. Leonardo da Vinci himself decided to come to Milano to give form to his creativity and to bring his ideas to life!

We applaud your choice of Milano as the destination for your studies, with the confidence that the excellent educational opportunities that the city has to offer will meet – and even exceed – your expectations.

### Live the city

Even though you will be busy with stimulating classes and projects, we recommend that you seize the opportunity to enjoy Milano as a local, bursting out of the student bubble to take advantage of your new city's vibrant cultural and social life, downtown and in our lively surrounding districts. To help you do so, the City of Milano **YesMilano website** is updated daily with the latest on events, initiatives and programs, to make sure you have the information you need to enjoy your time in the city to the fullest.

### Keep in touch

We have created a special place for students to keep in touch: visit [yesmilano.it/students](https://www.yesmilano.it/students) and follow a few simple steps to register and join the community. You will receive our Students newsletter, a free digital YesMilano Students card, and you will have the opportunity to participate to our workshops, talks, and walks.

At the YesMilano Students One-Stop-Shop we offer one-on-one support to help you access the documents and services that you will need to settle in Milano: the tax code, the temporary residence certificate, the public transportation pass, and consulting on housing and accommodation contracts. Visit our website to book a free appointment at: [yesmilano.it/one-stop-shop](https://www.yesmilano.it/one-stop-shop).

We also would love to hear from you: if you have any ideas or suggestions for ways that we can enhance the services that YesMilano offers, or if you simply wish to express your own thoughts on the city, please do not hesitate to drop us a line at our dedicated e-mail: [welcomestudents@yesmilano.it](mailto:welcomestudents@yesmilano.it).

If you feel like it, share with us and the world your creativity and the images that you capture of your favourite spots and moments in Milano by using the hashtag **#yesmilano**, and visiting our Instagram channel: [@visit\\_milano](https://www.instagram.com/visit_milano).

Once again: enjoy your time in Milano, reach out if you need anything or just want to share your ideas with us – and we cannot wait to see how you contribute to the city!
